

Hillside Family,

We've updated our response to COVID-19 for these upcoming weekend services.

We will not be hosting any in-person church services. We will be going live at 8:30am and will upload that service to our website once it concludes. We want to help our community stay safe and error on the side of caution. We may have to distance ourselves socially but that doesn't mean we have to distance ourselves spiritually. Join us live this Sunday (March 15th) at 8:30 am!

Please help us get the word out!
